

## Education

---

### University of Washington

Information School (iSchool)

- Master of Library and Information Science

Seattle, Washington  
Sept 2016 – June 2018

### Yale University

School of Architecture

- Master of Architecture
- King-lui Wu Scholarship Recipient
- 2012 Advanced Studio - BIG (Bjarke Ingels Group)
- 2011 Advanced Studio - Grafton Architects

New Haven, Connecticut  
Aug 2009 – May 2012

### University of Michigan

Taubman College of Architecture and Urban Planning

- Bachelor of Science in Architecture
- Guido and Elizabeth Binda Scholarship Recipient (portfolio-based)
- Summer Semester Study Abroad - Tezuka Architects

Ann Arbor, Michigan  
Aug 2003 – Aug 2007

## Employment (Library and Information Science)

---

### University of Washington - School of Art + Art History + Design

Digital Imaging Assistant II

- managed and worked on large 35mm slide digitization and cataloging projects
- created and edited digital images via copy stand photography
- assisted faculty and students with image research, presentation preparation, and classroom technology troubleshooting

Seattle, Washington  
Sept 2016 – Present

### Yale University - School of Architecture

Technology and Printing Monitor

- assisted students with digital equipment and technology troubleshooting
- conducted 3D-printing technology demonstrations and software tutorials
- maintained and serviced 3D printers, CNC laser cutters, large-format plotters

New Haven, Connecticut  
Sept 2009 – May 2012

## Employment (Architecture)

---

### LMN Architects (2016 AIA Architecture Firm Award Recipient)

Intern Architect

- worked on all phases of project delivery (schematic design, design development, construction documentation, and construction management) for several different building types (including convention centers, higher education facilities, performance arts centers, and transportation projects)
- acted as new-hire sponsor to welcome and onboard new interns and employees
- led software technology and model making skills instruction sessions

Seattle, Washington  
Nov 2012 – Aug 2016

### Duda/Paine Architects

Intern Architect

- worked on the schematic design and design development for high rise commercial towers

Durham, North Carolina  
July 2012 – Nov 2012

### Ben Hansen Architect

Intern Architect

- worked on all phases of project delivery (schematic design, design development, construction documentation, and construction management) for high-end residential construction and adaptive reuse projects

New York, New York  
Nov 2007 – June 2009

## Volunteer Work

---

- Art Library Students & New ARLIS Professionals (ArLiSNAP)** Sept 2017 – May 2018  
University of Washington Chapter - Co-chair
- coordinate and plan events, tours, and workshops for both residential and online students at the University of Washington's iSchool
  - write and submit organization's yearly budget and funding requests
- Seattle Design Festival** May 2014  
Design Rumble Event Facilitator
- coordinated groups of designers in large group brainstorming sessions
- Yale University - Haas Arts Library Committee** Aug 2010 - May 2012  
Student Liaison
- advised on library acquisitions, maintenance, and student issues
- Yale University - School of Architecture Lottery Committee** Aug 2009 - May 2012  
Member
- coordinated studio lottery for graduate architecture students
- Red Feather Development Group** May 2011 – July 2011  
Construction Crew Member
- participated in month-long construction of a straw bale house on the Northern Cheyenne Reservation in Lame Deer, MT
- American Institute of Architecture Students (AIAS)** Aug 2003 - May 2007  
University of Michigan Chapter - Technology and Skill Coordinator
- attended 2005 National FORUM Conference in Cincinnati, OH

## Teaching

---

- Yale School of Architecture Teaching Fellowships**
- Religion and Modern Architecture Jan 2012 – May 2012
    - architectural history and theory seminar focusing on the influence of religion in contemporary civic life and modern architecture
    - coordinator - Karla Britton
  - Architectural Design Studio I Aug 2011 – Dec 2011
    - first of four core design studios introducing the complexity of architectural design by engaging problems that are limited in scale but rich in experiential, social, formal, conceptual, and material concerns
    - coordinator - Eeva-Liisa Pelkonen
  - Visualization III Jan 2011 – May 2011
    - an introduction to the key relationships that exist among methods of drawing, physical materials, technologies of construction, and three-dimensional form making
    - coordinators - Ben Pell and John Eberhart
  - Computation and Fabrication Aug 2010 – Dec 2010
    - applies emerging computational theories and technologies to the study and practice of architecture - includes various static, parametric, and scripted modeling paradigms, computational-based structural and sustainability analysis, and digital fabrication technologies
    - coordinator - John Eberhart

## Professional Involvement

---

- Association of Architecture School Librarians (AASL)** 2017 - Present  
Student Member
- awarded Student Travel Award for both the 2017 and 2018 Annual Conferences

<b>Art Libraries Society of North America (ARLIS/NA)</b> Student Member	2017 - Present
<b>American Library Association (ALA)</b> Student Member	2017 - Present
<ul style="list-style-type: none"> <li>joint membership with the Washington Library Association (WLA)</li> </ul>	
<b>Sectioncut.com</b> Curator	2013 - Present
<ul style="list-style-type: none"> <li>curated collection of resources, lectures, and information sources for designers</li> </ul>	

## Recognition / Awards / Grants

---

<b>Visual Resources Association Foundation – Project Grant</b> The Patricia Young Collection of Southeast Asian Religious Art and Architecture	2018
<ul style="list-style-type: none"> <li>funding for ongoing digitization, cataloging, and processing efforts</li> </ul>	
<b>Seattle Design Festival</b> Design Jam, Street Furniture Design-Build Competition	2013
<ul style="list-style-type: none"> <li>“reTired” - People’s Choice Award</li> </ul>	
<b>Yale School of Architecture Student Exhibition</b> Invitation to Exhibit	2010
<b>University of Michigan Architecture Student Exhibition</b> Invitation to Exhibit	2005, 2006, 2007
<ul style="list-style-type: none"> <li>awarded highest honor in 2005 for first semester student project</li> </ul>	

## Publications

---

<b>Art, Architecture, and Design Information Competencies</b> ARLIS/NA Research and Information Services Section (RISS) Author - “Architecture” section	2018 ( <i>forthcoming</i> )
<b>Social Infrastructure: New York</b> Contributor Yale University Press, New Haven	2015
<b>Retrospecta (Journal)</b> Contributor	2009-2010, 2010-2011
<ul style="list-style-type: none"> <li>“Tobacco Warehouse Performance Center” - Studio Project: Brooklyn, New York</li> <li>“Co-habitation” - Studio Project: New Haven, Connecticut</li> <li>“Inlet City”- Studio Project: Providence, Rhode Island</li> <li>“Sources of Simulated Violence” - Research Paper</li> </ul>	

## Presentations

---

<b>Visual Media and Identity: Architects in Film and Television</b> Poster Presentation, AASL Annual Conference	Denver, Colorado March 2018
<b>“Interdepartmental Collaborations to Improve Access to Collections: The Patricia Young Collection of Southeast Asian Religious Art and Architecture”</b> New Voices in the Profession panel with Luiza Wainer, ARLIS/NA Annual Conference	New York, New York February 2018

## Skills

---

### **Software / Technology:**

Operating Systems – Windows, macOS, Linux (Ubuntu)

Relational Database Management Systems – FileMaker Pro, MySQL

Content Management Systems – LibGuides, Wordpress, MDID3, CONTENTdm

Integrated Library Systems – Koha

Productivity – MS Office (Word, Excel, PowerPoint), Google Docs, Prezi, Smartsheets, Zotero

Data Structure Standards – MARC 21, MODS, METS, PREMIS, Dublin Core, LCSH

Controlled Vocabularies – Getty Vocabularies (AAT, CONA, TGN, ULAN)

Programming Languages – R (RStudio), Python, Grasshopper, Processing, Javascript, D3.js, VBA

Markup Languages – HTML5, CSS, XML

3D Modeling – AutoCAD, Rhinoceros, 3D Studio Max, Maya, Digital Project, SketchUp, Revit

Render Engines – Brazil, V-ray, Maxwell

Fabrication – MasterCAM, MadCAM, PowerMILL, Cura

Environmental – Ecotect, Weathertool

Geographic Information Systems – ArcGIS

Image Production – Adobe Photoshop, Adobe Illustrator, Adobe InDesign

Video Production – Adobe Premiere Pro, Adobe After Effects

### **Fabrication:**

Rapid Prototyping 3D Printers, CNC Mills, Waterjet Cutters, Laser Cutters, Basic Woodworking & Metalworking
